THE  
DREAM

In Kennebec Valley, many people share a dream of a strong, self-sufficient community in which local residents are educated, financially stable and healthy. You **POWER THE DREAM** when you make an annual gift to United Way.

## Chris Russell & his daughter, Gabby 2018 Campaign Chairs

“In our family, helping people who need a hand up has always been a priority. We are part of a wonderful community, and I want my daughter to understand from an early age that we all need to do our part to make the Kennebec Valley great.”

—Chris Russell, G&E Roofing

## what's your dream FOR OUR COMMUNITY?

♥ *To remain a place where we celebrate our strengths, support our weaknesses, and work together to make each day a little easier, happier and brighter.*  
—Katelyn Pushard, Children's Center

♥ *To ensure everyone has a warm meal, a roof over their head, clothes on their back and a purpose in life.*  
—Chuck Hays, MaineGeneral Health

♥ *When you ask someone if they have what they need, the answer is "yes!"*  
—Sue Gayne, NRF Distributors
