United Way of Kennebec Valley will provide your workplace with food pantry shelves, and you encourage employees, customers and clients to bring in contributions that will directly benefit your local food bank.

It’s as easy as 1, 2, 3

1. United Way drops off the shelves.
2. You collect items at your workplace for a three-week period.
3. You call United Way for pick up.

There are approximately 200,000 Mainers with food insecurity.

You can be part of the solution. Contact us at 207-626-3400.

“...The United Way Food Pantry Project is a wonderful program that helps many local businesses and their employees learn about what is needed and offers a simple way to give back. The food that is provided from this program often goes from the collection box to someone’s home in less than 24 hours.”

-Staff at a local food bank
