CONGRATULATIONS AS YOU STEP INTO A NEW PHASE OF LIFE!

We can help you explore different activities and create new passions.

United Way
United Way of Kennebec Valley
You’ve always supported United Way.

And your involvement? It’s transformed lives.

This is Macklyn and her son, Malachi. Your gift helped Malachi access life-changing autism program services at the Children’s Center.

Your support helps the most vulnerable individuals in the Kennebec Valley. Through your workplace campaign, you’ve been able to support the causes you care about.
So why not continue making a difference in your community?

**Set up a regular contribution**
Donations of all sizes are important and appreciated. Schedule a monthly credit card gift, write a check, or receive an invoice.

**Make a contribution directly from your IRA**
If you’re over the age of 70 1/2, you can take the required minimum distribution from your IRA and make a qualified pre-tax charitable distribution.

**Let’s be partners in leaving your legacy**
It’s never too early to plan for the future. You can reduce capital gains tax on appreciated assets or decrease estate taxes to your heirs.

**Stay engaged in our community**
Volunteer your time at one of 50+ area nonprofits.

Here’s what our volunteers have to say:

Volunteering has given me the opportunity to learn about organizations that I knew nothing about and meet people whom I never would have met. Giving back not only makes a stronger community—it also has made me a better person.

—Jenny Small

During my 40 years as a community banker, I served on many boards and committees. Now my focus is on serving my community in other ways, such as playing the piano on Friday afternoons in the Welcome Center at MaineGeneral and daily walking the streets of Manchester, Hallowell, and Augusta picking up litter. Rather than slacking off upon retirement, I find myself stepping it up. So much to do and so little time!

—Mark Johnston
