

UNITED WAY OF KENNEBEC VALLEY IS SO MUCH MORE THAN JUST FUNDRAISING

Resource Connection

UWKV connects more than 31,000 people a year across Kennebec County to resources that improve their health, education and financial stability.

Diversity, Equity and Inclusion (DEI)

DEI lies at the core of achieving our mission, living our values, and advancing the common good. UWKV acknowledges that injustices have persisted throughout history and continue to exist in our communities today. Therefore, UWKV remains committed to addressing these complex issues by developing a robust DEI Action Plan to support our beliefs that:

- Diversity leverages the benefits of each unique perspective.
- Equity gives everyone the opportunity to thrive.
- Inclusion shares the power of decision making.

Impact2032

Impact2032 recognizes that Kennebec County is a great place to live, work and play but that not everyone is doing well. Too many people cannot afford basic needs, too many children are falling behind in school and too many community members are dying early from preventable causes. Impact2032 aims to unite all sectors of the economy to create a healthier Kennebec County over the next decade. Impact2032 is not a United Way initiative, but rather a community-wide movement that is being led by UWKV. Over the next 10 years, UWKV will align everything it does to achieve the visions and goals set by Impact2032.

Promoting Innovative Ideas

UWKV recognizes that innovation in the social sector is essential—the entire community benefits when nonprofits can be responsive to evolving needs. Over the past two years, UWKV has invested \$135,000 through our Innovation Fund to advance novel programs that will help redesign the future of Kennebec Valley.

Conveners & Collaborators

UWKV strives to be the first responder when it comes to social issues impacting Kennebec County. UWKV brings together community leaders to address long-standing as well as emerging issues. In the past, UWKV has started emergency relief funds, a housing coalition, the Food Pantry Project and more.

Treasurer's Message from Jess Norton

As another fiscal year came to a close on December 31, I am pleased to report that the United Way of Kennebec Valley has remained strong. We received an unmodified opinion on the audit of our 2021 financial statements from the Certified Public Accountants at One River CPAs. I can confidently say that great care is taken to manage and allocate the donations of our supporters for the betterment of our community. I want to credit the incredibly talented members of the UWKV staff, the board, and the dedicated and knowledgeable finance committee for their continued dedication. Thank you for making it easy to serve as Treasurer of this fine organization!
