

Treasurer's Message from Cheryl Flewelling

As another fiscal year came to a close on December 31, I am pleased to report that the United Way of Kennebec Valley has remained strong. The audit of our 2022 financial statements from the Certified Public Accountants at One River CPAs was presented fairly, in all material respects, with accounting principles generally accepted in the United States of America. I can confidently say that great care is taken to manage and allocate the donations of our supporters for the betterment of our community. I want to credit the incredibly talented members of the UWKV staff, the board, and the dedicated and knowledgeable Finance Committee for their continued dedication. Thank you for making it easy to serve as Treasurer of this fine organization!
