CAMPAIGN LEADERSHIP

2023 Campaign Co-Chairs

Michele Pelletier — Performance Foodservice — NorthCenter
Daniel Webster III — Retired from the State of Maine

“Each person or organization that gives to United Way of Kennebec Valley is making a difference. Because of you, we are able to fund 58 different health and human service programs that collectively help over 32,000 people in the Kennebec Valley.

We want to ensure people truly understand every dollar matters and because of them, and their generosity, we can collectively help others.”

CHALLENGE TO THE COMMUNITY

There are 125,540 people living in Kennebec County. The more supporters United Way has, the bigger impact we can make. **As campaign chairs, we will match every donation that comes in from a new supporter — dollar for dollar, up to \$10,000.** We challenge you ask someone — a spouse, friend, family member, coworker, or fellow business — to join the United Way family this year!

LEGACY SOCIETY

As a United Way supporter, you have demonstrated a personal commitment to the health, education and financial stability of every person in our community. Now, we hope you will consider a different type of gift — a special gift to United Way through your estate plan. Legacy Society members plant seeds of kindness that will improve lives for generations to come.

United Way's Tocqueville Society is named after French historian Alexis de Tocqueville. In his book, *Democracy in America*, he wrote that he observed Americans as "a people who confronted their problems and addressed them." Today, leaders in our community are using United Way to do the same.

Tocqueville Society members are thoughtful individuals who partner with United Way to make a lasting impact in our community. Members contribute \$10,000 or more annually to United Way. We thank our Tocqueville Society members for their exceptional generosity and leadership.
