“Connecting people and resources isn't just a goal—it's an essential step toward building a healthier, stronger community for all. Our collective well-being thrives when we uplift countless lives and empower every neighbor to pursue a better future.”

- Vivian Mills, Campaign Co-Chair

THE 70 FOR 70 CHALLENGE: \$70,000 MORE FOR OUR 70TH YEAR!

This year, United Way of Kennebec Valley (UWKV) celebrates its 70th anniversary! To mark this special occasion, we're launching the 70 for 70 Challenge, aiming to raise an additional \$70,000 to bolster vital health and human service programs right here in our community.

We understand that everyone's giving capacity is different, so we've created several flexible ways for you to participate in the 70 for 70 Challenge.

Choose the option that works best for you:

Increase your regular gift:

- Consider increasing your donation by just \$0.70 per paycheck or \$70 per year.
- Make a one-time impact: A one-time gift of \$70 can make a real difference.

Spread the word:

- Invite seven friends to join the United Way family and support our mission.
- Encourage 70% of your organization to donate.
- Help us reach 70 new people by sharing UWKV's messaging.

With a \$70,000 increase, we'll provide significant assistance to the 40% of households in our community that struggle with the rising cost of living.

UWKV CELEBRATES 70 YEARS

UWKV is proud to celebrate seven decades of dedicated service to our community. For 70 years, we've partnered with countless individuals and organizations, creating lasting change for over a million people. This incredible milestone is a chance to honor the inspiring people and powerful stories that have shaped our journey and continue to build a brighter future for Kennebec Valley.

To mark this special occasion, we're seeking nominations for 70 Community Heroes – individuals who have made a meaningful difference in our region – and collecting 70 Stories of Impact, showcasing how United Way has transformed lives throughout the decades.

Do you know someone who deserves recognition? Or perhaps you have a story about how United Way has benefitted your life? We invite you to submit a nomination today at uwkv.org/70th-anniversary.

United Way's Tocqueville Society is named after French historian Alexis de Tocqueville. In his book, *Democracy in America*, he wrote that he observed Americans as "a people who confronted their problems and addressed them." Today, leaders in our community are using United Way to do the same.

Tocqueville Society members are thoughtful individuals who partner with United Way to make a lasting impact in our community. Members contribute \$10,000 or more annually to United Way. We thank our Tocqueville Society members for their exceptional generosity and leadership.
