

Workplace Giving

United Way of Kennebec Valley offers a variety of ways for your workplace to give back, engage employees, and strengthen our community. Explore the options below to find the right fit for your team and build a culture of caring. Our staff is here to help you get started and support you along the way.

Workplace Campaign

»» Get your entire team involved!

Host a United Way workplace giving campaign where employees can donate conveniently via payroll deduction. Your United Way campaign is fully customizable, and we'll provide the tools and support to make it simple, engaging, and effective.

Corporate Gifts

»» Take your impact to the next level!

Many businesses give beyond workplace campaigns to make a deeper, more strategic community impact while demonstrating leadership and a strong commitment to corporate social responsibility.

Direct Contribution

Give a one-time or recurring cash donation (check, credit card, or online) from your company to support community programs.

Employee Matching

Match employee donations through a corporate giving program, doubling the impact of each gift.

Sponsorships

Sponsor United Way events, programs, or initiatives with specific funding levels.

365 Small Business Circle

»» Small Business, Big Impact!

For as little as \$1 a day—just \$365 a year—your small business can support our community while strengthening your brand, building customer loyalty, and joining a network of local leaders.

\$365/year

An entry-level way to making a meaningful impact.

\$600/year

A stronger commitment for businesses ready to deepen your community investment.
